

Dear Sirs:

I am an XM Radio user and I want you to know that I always listen to the weather and traffic report on my way to work and on my way back home from work. I always rely on XM Radio for my up to date traffic and weather report.

Please let XM Radio continue with the wonderful job they've been doing in the last 4 years. XM Radio is the best. I own three radios and I don't know what I would do without my XM Radio.

I LOVE XM RADIO!!!

Sincerely,
